# SPECIAL TRAIN FOR MILWAUKEE CONVENTION

---

We Have This Information From a  
Reliable Source

---

The Chicago, Milwaukee & St. Paul Railway will run a "Nurseryman's Special" from Chicago to Milwaukee on account of the Nurserymen's Convention. This train will leave Chicago after the arrival of morning trains from the East, West and South; will arrive in Milwaukee before noon.

The station in Milwaukee is less than five blocks from the Plankington Hotel. We understand the Bartlett men will ride to the Hotel in flying machines, but that the Kieffer men are expected to walk—it's good, easy walking. We want to see you all there.

This special train will be one of the pleasant features of the next Convention. Full information will be sent out in ample time. We call your attention to this matter now so that you will make your plans to join the train.

We have turned over to the Chase Nursery Company orders booked by us for future delivery, except some California Privet, Spirea, June Budded Peaches and a few other items. We will write all parties who have orders booked, so that they will fully understand.

The object in making this sale is to enable the Alabama Nursery Company to retire from the general nursery trade. You have helped us build a CLEAN, HIGH-CLASS satisfactory business; we are grateful. For the Chase Nursery Company we ask the same treatment accorded us.

Yours very truly,

ALABAMA NURSERY COMPANY,

HERBERT CHASE, Treasurer.
